CRIMINAL CHARGES FILED

The County Attorney Starts Off
With a New Batch of Informa-
tions That Will Require
Sifting.

BUTTE, Nov. 17.—The county attorney this morning filed another batch of information in criminal cases. Philip Green was charged with committing an assault with intent to murder on his wife, Margaret Green, Aug. 27, with a knife, cutting her about the head. He has been in jail since that time. He was arraigned, pleaded not guilty, and his bond was placed at \$750, in default of which he was returned to jail.

Green is the father of the tough Green boys, one of whom was sent to the reform school recently. He is of the same family who were down with the smallpox more than a year ago and who were kept at the post house for many months. In one way or another the family is a constant cause of trouble and expense to the county.

An information was filed against Lillie Horton, alias Lillie Moade, charging her with grand larceny. She is the woman who "robbed" Henry Ebert last Sunday evening for \$110. She was arraigned and granted until Monday morning to plead, and was returned to jail.

Thomas Johns was charged with the larceny of a \$50 heifer belonging to John C. Jones on Aug. 10, and Charles Jones with the larceny of a \$50 cow belonging to E. F. Dunckel on Aug. 10. Both men are out on bail, and were ordered to appear next Saturday for arraignment.

An information was also filed against Joseph Bagley, charging him with forgery the name of Andre Michael to an order on Morgan Brothers for \$15 on Aug. 13. He was also ordered to appear next Saturday for arraignment.

Judge Speer made a general order requiring all defendants in criminal cases, who are out on bail, to appear in court next Saturday for arraignment and to have their cases set for trial.

The Sheriff's Reply.

A short time ago the defendant in the case of Ruth Leggat against John A. Leggat filed a motion in court to have some of the costs taxed up against the sheriff on the ground that unnecessarily he had employed two custodians for some one under attachment at a great expense. The sheriff and two of his deputies made affidavits to-day in answer to Mr. Leggat's motion claiming that the custodians were necessary for the protection of the plaintiff and the sheriff. By agreement between him and the defendant the ore was to have been sold to some of the agents but the latter were slow in shipping it, for which the sheriff was not responsible, and it was due to the fault of the defendant himself that the cost of custodian fees were incurred. If he had allowed the sheriff to sell the ore when it was advertised for sale, but a very small amount of the costs would have been incurred. During all the time the sheriff held the executions against the defendant the latter was largely indebted to different persons, and there were many judgments unsatisfied against him, and the sheriff was advised and believed that if he did not keep custodians in charge of the ore the levy under the execution would lapse and other creditors would be entitled to come in and thereby the plaintiff would suffer damage and the sheriff would become liable for the amount of the execution. The sheriff also claims that the defendant could have paid the execution at once if he had desired to do so.

Bondsmen Sued.

T. J. McAllister to-day commenced an action in the district court against F. Augustus Heinze and James Brown to recover judgment for \$204, due on a judgment against John B. Bottego. The defendants were sureties on an appeal bond given in the case. The appeal was never taken nor the judgment paid.

For Foreclosure.

John Noyes and William Forbis to-day commenced a suit against Louise B. Greenland, Karl Ernest Leischke and others to foreclose a mortgage on a two-story brick building and two lots in East Mercury street. The mortgage was given by Mrs. Greenland Aug. 11, 1892, to secure a loan of \$7,000. It is the same property over which Mrs. Greenland and Leischke had so much trouble about a year ago, through which Mrs. Greenland spent some days in jail and which resulted in a criminal charge of disposing of mortgaged property being preferred against her.

Judge McAllister's Court.
 Judge McAllister this afternoon over-

ruled motions for new trials in the following cases: James A. Murray against the Summit Valley Railroad company; A. Rosenstein, assignee, against C. M. Colman and others; Lee Vaughn against S. J. Reynolds; C. W. Goodwell against the Montana Central Railroad company.
 New trials were granted in the case of N. C. Ray against John F. Cowan, and H. D. Rosseter against J. Fred Loebner.
 By stipulation the cases of C. R. Newell against J. W. Forbis and H. Mountain against C. J. Hanson were dismissed.
 A motion was sustained to dismiss the appeal in the case of Paul Davis against J. D. McLennan and others.

A HANDSOME CLASS PIN.

Senior Literary Debating Society of S. H. S.

Perhaps the finest and prettiest class pin ever made in Butte has just been constructed for by the Senior Literary and Debating society of the Butte High school. The pin is of sterling silver and has for a center piece the lamp of learning resting on a book, all of which stands in relief. Surrounding the lamp and book is a wide belt and buckle of silver, on which are the initials of the order. The pin is strong and substantial and presents a very pretty appearance. The contract was awarded to Levy, the jeweler, over all competitors, the superior quality of their workmanship being so well known that preference was given to their design and estimate.

Celebrated Man on a Celebrated Railroad.
 Gen. Law Wallace, the renowned soldier, statesman, traveler and author, pays this compliment to the Chicago, Milwaukee & St. Paul railway in the St. Paul Evening News-Record, Oct. 6, 1894:

"I have traveled all over the United States and Europe, but never before have I seen such magnificent train services as I enjoyed on 'The Milwaukee' between Chicago and St. Paul. The private compartment cars are superior to anything of the kind I ever saw."
 The trains referred to by the author of "Ben Hur" are vestibuled throughout, heated by steam, lighted by electricity and arranged with the famous electric berth reading lamp.

J. T. CONLEY,
 Asst. Gen. Pass. Agt.,
 St. Paul, Minn.

"I Think Very Hard That the Buffet-Smoking Library Coach on the North-Western Limited between St. Paul, Minneapolis and Chicago is the greatest institution in modern railway travel I ever ran across—or rather rode in—and I have traveled a few miles myself since I was able to go it alone. That Coach means solid comfort to a fellow and makes a long journey a delightfully short one. By all odds it is the best feature of the best train I ever rode on."
 —The Globe, St. Paul.

Railroad Notes.
 J. W. Bailey of Batavia, N. Y., conductor of the N. Y. C. railway, and one of the best known men on the road, said of Pacific Tea: "For 10 years I have suffered from constipation. Tried everything and found nothing of lasting value. Hearing so many talking about 'Frisco' Tea, I tried it without much hope. The first dose moved my bowels easily and now I am cured. It works like magic." Sold by Smith Drug Co. and Parson D'Achaul Drug Co.

"Thrill With good traveling accommodations is making itself felt. But blessed good is not enough for the traveling public who are used to luxury when they are at home. They must have the Best and up in this country when we say Best we mean The North-Western Line." Improvement Bulletin, Minneapolis.

"There To public favor any more than is No to learning. This is true, at all events, in America, where intrinsic excellence is necessary to secure and retain the popular favor. The reason the North-Western Line is one of the most popular railroads is that it service is not only always up to date but many ahead of the date. In our opinion, this is the best line between Chicago and the Twin Cities.—The Excursionist, Chicago.
